

SAWDC WORLDS OF OPPORTUNITY

Dear Parent or Guardian,

On September 20th and 21st, the Southwest Alabama Workforce Development Council (SAWDC) is presenting the 2017 SAWDC Worlds of Opportunity Career Expo. Close to 10,000 8th grade students will attend this inspirational program. The students will be transported from their school to the Mobile Civic Center. At the Expo, they will spend two hours exploring many of the careers available in our region.

This program is a great opportunity for your student to take the first steps in planning for their future. The counselors and teachers from your school will escort the students and make sure that the students have a truly educational experience.

The career worlds that the students will visit are the Worlds of: Automotive Technology, Aviation and Aerospace, Communications, Computer & Information Technology, Construction, Energy, Engineering & Design, Healthcare, Hospitality & Tourism, Manufacturing, Public Service, Shipbuilding & Repair, and Safety.

We are confident that this will be a rewarding and motivating experience for all our students. Please check the box below giving permission for your student to participate. If you do not want your student to participate please complete the form below and return it to the school by September 18th.

I give permission for my student to participate in the 2017 SAWDC Worlds of Opportunity Career Expo at the Mobile Civic Center.
